## TESTIMONIAL STATEMENT

Att; L Perich

Len and Anna Perich, are the owners and operate one of Perth's Preferred Electrical Contracting companies: UEC Electrical.

UEC has been my favoured Electrical Contractor servicing all my electrical requirements for over 10yrs.

UEC have the ability to complete the largest and most difficult installations to the simplest maintenance work. UEC are always efficient and willing to help provide expertise to make the works efficient and economical. All whilst being considerate of other following trades.

For all your Residential and Commercial electrical works I never look further than UEC. I have no issues recommending UEC for all your future electrical works.

Kind Regards
