

# CAPE BOUVARD

INVESTMENTS PTY LTD

United Electrical Contracting has serviced Cape Bouvard Investment's (CBI) various entities and its proprietor's, for well over a decade. This has included technology subsidiaries, residential, and industrial – involving advanced electrical systems.

We have found United Electrical Contracting personnel to be competent, reliable, accommodating, amicable, and expedient re all contractual obligations – which are the key factors in the long relationship established.

Therefore, based on CBI's experience, we confidently recommend United Electrical Contracting to potential clients.
